“PANTHER DARCY WARD” NOW A MSJFL UMPIRE

Darcy Ward is a keen **Under 13's Panthers player** who has recently taken his love of the game one step further and joined the ranks of the MSJFL Field Umpiring squad. To date he's notched up one Under 9's and one Under 12's game. He attends a weekly training session with a group of enthusiastic youngsters where he is assigned games for match day. Game days have been fully supported by the official processes in place with the watchful eye of an Official MSJFL Umpiring Mentor advising and encouraging Darcy at each game. To top it off, the whole experience is sweetened just a little more as he sees his bank balance increasing slowly each week! I wonder if any of that cash will reach his folks for the money they're spending in the canteens at the extra games each week!

Match Reports for Sunday 24th May

UNDER 9 EAST

Quarter Scores:	1	2	3	FINAL
CHELTENHAM	3-0-18	3-1-19	3-1-19	3-2-20
DINGLEY	1-0-8	3-1-19	5-6-36	10-10-70

Best Players: B.Stainer, R.Marshall, J.Hicks, S.Harris, A.Bailes.

Goal Kickers: B.Stainer 2, M. Arthur 1

Summary: Today we came up against a strong outfit in Dingley and it was a good test to see how far our boys have come this year. The first qtr was dominated by our boys through being first to the ball, hard bumping and great team work. The second qtr the team kept up the pressure but with two lucky late goals to Dingley the score was level going into half time. Third qtr saw Dingley edge in front but we were still in it going into the last. Dingley got a run on in the last qtr which our boys found hard to stop. The final score line does not show how close the contest was. I must say that the boys kept on trying to the end and have come such along way from the start of the year with their ball skills, pressure and team work. The improvement has been quite remarkable. Keep it up boys.

Congratulations to Andrew and Ngaio Brazionis on their new addition, another little panther to join his brother Jhett!

Summary:

You have got to feel sorry for 1 person, and for what reason? He know's he has a good team, he knows they can all play the game and he knows they can win games. Frustration sets in sometimes, with all of us, but then the boys are giving it their best shot, and as the saying goes, at least they are having fun. Darren thinks I have got the worst job, well I think my job just got a little easier. You have to give credit where it is due and credit this week goes to the coach, despite our loss, Darren gives praise and encouragement only to the boys, where I am sure a lot of us would have lost the plot. There may be some signs of hair loss there through frustrations, but correct me if I am wrong Darren, it just might be a sign of nature, not the hair pulling excitement of Sunday morning junior footy. It would be obvious to say now that we unfortunately had a loss today to the Hirdy & McGuire show team in Prahran. After a great first quarter we were off to a flyer kicking 3 goals to 1 but by half time Prahran had kicked back and we found ourselves 2 points down. We took off our goal kicking boots off after quarter time and ended up being soundly defeated. Cameron, Tyson and Noah kicked a goal a piece and this week Gregory Hick led the team out as our captain. So boys, eat your vegies, early nights and lets have a good training session this week and give back to Darren what he gives to us. Listen to what he has to say and listen to your name, so, now Darren, we'll start with Nick GOUZANIS!!!! then

Summary:- We came up against the top team and they gave us a lesson in how to play football. We stuck at it and kept them goal less in the third quarter. We need to work harder when the opposition have the ball and concentrate on our skill level at **TRAINING**. - Darren.

Summary:

Congratulations to Luke Porter who ran through the banner for his 50th Game.

The boys were 'ON FIRE' this week. It is always great to have a win, but it was the way that we won that was most pleasing. We had 13 goal kickers in the team, and some great passages of play to create goals. Let's keep the momentum going and let's keep doing the 'TEAM THING'.

GREAT WORK BOYS!!!!

This week we played against a very physical side who hit us with everything they had. Oscar Adorno, Nick Richards and Ryan Costello were equal to the challenge. Luke Globan, Stephen Clarke and Alex Molyneux kept the pressure up forward by kicking goals. We were in control all day and finished the game off well. Nick Henricks, Jaye Edmunds, Matt Cousins and Luke Meo kept contributing and repelled any advances. Today was a day when a lot of the team really put in a great effort.

A competitive away game against Mordi-Brae and we again came up trumps. The boys got off to a slow start for the second week in a row but managed to lead throughout for a comfortable six goal win. With our regular centre half forward Tim Wighton out with a dislocated finger, Latjor Chuol stepped up and did a good job for us. Jahn Pateluch, Josh Swannie and Richard Ryan all had a go in the ruck and did well with Richard kicking a lovely goal from the boundary line. The two Matts, Lovejoy and Banham scouted around the packs with some really smart play. The back line led by Sam Burke, Luke De Los Rios, Taylor Grace and Robert Calder held up well. Nathan Papatsanis again did well on the ball and marked well up forward coming up with five goals, while Ryan Keating also marked well and kicked four goals when moved from a wing to full forward. A good effort but we can do better and we have to push ourselves to improve each week.

Summary:

Our best win for the year, playing a quality side the boys came out firing and put scoreboard pressure on, they challenged us a few times but we played as a team which held them off. Our mid-field was dominate today and everyone realises they have a role to play in the team. All players had an input today and should be proud of their efforts.

Great Team Effort.

Summary: We expected a tough game against Prahran and that is what we got. For 3 quarters we allowed Prahran to dictate terms and the scoreboard showed. With the challenge put to the boys at 3/4 time to win the quarter – it was on. Our intensity and pressure in the last quarter was an indication of our ability, a win is not far away. Unfortunately a quarter does not win a game, but this shows how we can play. A much improved effort – 7goals 2. Our best quarter all year. Go Panthers.

Summary:

Today was the top of the table tussle against last year's premiers St Peter's. The boy's where under manned early with a number of players unable to get up for this match. As expected it was tough at every contest, we showed great commitment early, led by Wearne & Dimos. St Peter's failed to convert early opportunities up forward as a result of our intense pressure. By the first break, we had set the scene that we were prepared to through everything in our power at them as demonstrated with an inspirational smother by Hayden and relentless attacks on the footy by Sam.

Only 2 goals seperated the teams at the main break, some indecisive football and poor decision making contributing to this score. With no bench in the 2nd half, the boy's continued to rally and work for each other. With the game still in the balance at the last break, we needed an all out effort as our injuries were starting to mount. During the last quarter Matt Fels was on one leg and refused to surrender, having a hand in 2 goals.

When the siren sounded, it was clear we had conquered another mental challenge and displayed enormous courage. The boy's should be extremely proud of their performance and we will all look forward to a re-match later in the season.

Today was another step forward to our ultimate aim with the "Panthers" demonstrating what it will take!
